Dear Mr. Roffman,

Reference is made to your letter of August 20, 1969 to my uncle Dr. Jack C. Harper. He passed your letter on to me and asked that I try to provide you with the information you've requested.

I've marked the location on the map where I found the piece of skull fragment. You will see that the location is marked about 18 feet from a sprinkler. The day I discovered the fragment I used the sprinkler as a point of reference. I estimate that the location where I found it to be about 25 feet from the south curb of Elm street.

I hope this information will assist you in some way. Let me see a copy of your book when you have it published. It sounds like you've put lot's to time and effort into your research.

Good luck!

Very truly yours,

William C Harper
